Brief Project Description: _____

BUILDER: In submitting the Built Green® self-certification checklist, I agree to complete all Action Items checked. I agree to submit an amended checklist if any changes occur during the construction or development process regarding Built Green® program Action Items. I understand the HBA does not warrant, to the homeowner or anyone else, that these Action Items have been completed; only that, based on the checklist provided by me, the project qualifies for a certificate.

I understand I will receive a Built Green® certificate showing a star rating for my submitted project based on the information I provide in the self-certification checklist.
