

# Don Pratt Construction, Inc.

77005 Badger Meadow Drive  
Country Meadows, Kennewick

Style and luxury describe this year's Don Pratt Construction, Hinkley X Design, a favorite among our enthusiasts. Large decorative pillars and stucco finish greet you at the grand entrance. The foyer flows with spacious ceilings and beautiful woodwork with attention to every detail. The unique kitchen, with an abundance of knotty alder cabinets and solid granite countertops, will win over the chef. Unwind from the day in the master suite featuring volume step ceilings, a palatial master bath, walk-in tile shower and garden tub. Step onto the relaxing covered patio and enjoy a view of beautiful Country Meadows, a quiet retreat just minutes from the city.

**Don Pratt**

Don Pratt has been building premier custom homes in the Tri-Cities for more than 25 years and has lived here most of his life. His attention to detail makes his homes a favorite. His award-winning designs and his team of professionals have made hundreds of customers happy. He is always looking for new materials and trends to stay on the cutting edge. Don is

never too busy to sit down with a client and help plan their dream home. Satisfaction is his personal guarantee. Everyone would love to own a Pratt home. How about you?
