You will love this fortune home where old charm meets new products in this unique design. The balanced mix of exterior materials adds up to a delightful curb appeal. The floor plan is also worthy of bragging rights. The living spaces are exceptional and feature wide-open areas as well as private retreats. If you enjoyed our home last year, you won't be disappointed by this year's – if you haven't been through a fortune home before, come see what makes us different!

& Shawna Fortune**

fortune homes is a family owned and operated custom and spec homebuilder. They build homes for the quality conscious homebuyer that recognizes the benefits of superior homebuilding. The intent of their company is to continually seek better methods and products and use them if proven beneficial to the homeowner. Each member

brings a slightly different perspective and talent to the task of homebuilding and combined as one eye, little escapes attention. You will find one, or all of them, on their jobsites most any day. Their projects are scheduled, controlled, and not left to chance. The fortune homes team believes it has to be done right and done on time. That's the promise.
