Designed for formal and informal living, “The Morning Dove” easily transforms itself to accommodate your best friends with style and grace. Like a friend, this beautiful home is filled with wonderful qualities and meant to provide its owners with warmth and lasting memories.

“Mahalo Homes” is a family-owned business. We’re here to build your home to your lifestyle. Every home is your own family’s floorplan. “You Are the Designer” and we are here to make your dream come true. Keith and Corlis Sexton, husband and wife, have been in the business for at least 30 years, building from San Diego and Coeur d’Alene to Richland. Clint Sexton, son, has been in the business 10 years, working for us and working in Seattle for Dow Construction building multi-million dollar homes. Our team, as builders and our trade contractors, is here to provide our customers with an exclusive standard of living that they have earned through their hard work and perseverance.
