

# Rudy Tomich General Contractor, Inc.

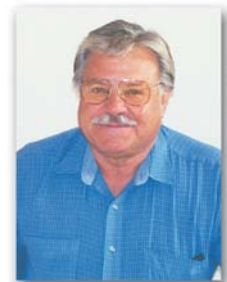

2624 Stonecreek Drive, Horn Rapids  
Richland

17

This 2,129 square foot rambler features hand-troweled ceiling, hickory cabinets, wood wrapped windows plus many other standard RTGC items. A covered porch greets guests and out back a covered patio looks onto the #2 fairway and green of Horn Rapids Golf Course. The home has three bedrooms, two baths, and a bonus room. Although designed in the great room style, there is a formal dining room and breakfast nook.

Rudy Tomich General Contractor Inc. started his contracting career more than 25 years ago as the developer of Keene Village and then expanded to low and moderate-income housing. In the 80s he built custom homes in California and Arizona. In 1992 he moved back to the Tri-Cities and has since built more than 40 homes as well as 13 town homes. The projects range from starter homes to large custom homes in both suburban and rural areas of the Tri-Cities. Rudy can help you from the design of your new home through the loan process, land acquisition, and selection of finishes and details. Rudy and his daughter Kim will work with you to get the home of your dreams.
