

# Tanninen Homes

5815 W. 15th Avenue, Creekstone  
Kennewick

38

The exceptional quality of The Charlton, an inspiring 1,919 sq. ft. home, stands alone in its style and function. From the polished slate entryway you will immediately see and feel what makes this house special. A beautiful cherry hardwood hallway walks you through the center of this home dividing a large great room with a built in entertainment center and corner fireplace from an impressionable formal dining room with large interior glass windows and double glass doors. The large master suite is separate from the second and third bedrooms. A cheerful casual kitchen nook and functional galley style cooks' kitchen is perfectly balanced with color and lighting to create a feel that everyone loves. Experience the thoughtfulness that completes this design inside and out!

Bruce Tanninen has been designing and building homes since 1991. He showcases new plans in Creekstone that are stylish, functional and offer a great range of signature standard features that are surprising and pleasing to his buyers! Bruce oversees the complete construction process and is there to communicate with the homebuyer. His team offers the finest workmanship along with great design detail at an affordable price making Tanninen Homes unique and successful in this competitive market.
