

# Varsity Homes, Inc.

213 McKinley Place, Oasis Court  
Kennewick

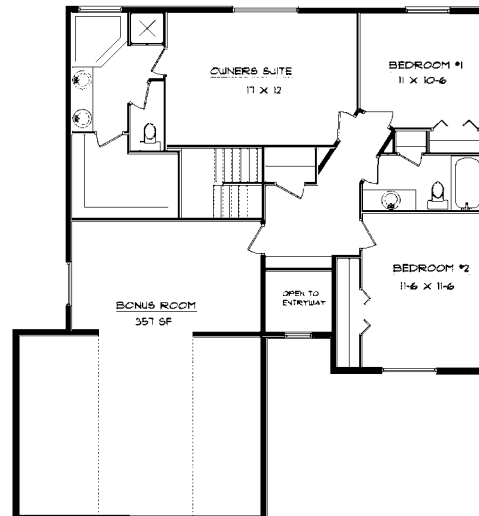

39

The "Callas" home is located in the Oasis Court neighborhood of Kennewick and boasts 2,500 square feet of finished home including the bonus room located over the garage. The Callas features ceramic tile countertops and lavish use of tile in the master bath corner soaking tub (although in your Callas home you can have a walk-in shower at no extra charge) and separate bath. The kitchen offers an oversized walk-in pantry, Oasis peninsula for easy entertaining and fast meals, pendant lights for added ambiance, and white-on-white single lever pull-out-nozzle faucet (all standard in any Oasis home – they are included in the price). Although Varsity Homes has added some upgrades and embellishments in this particular model, a Callas model can be purchased for only \$179,900. See the Callas and learn about the dynamic new homes available from Varsity Homes when you visit during the Parade. In addition to gifts and drawings, cake and refreshments will be served while supply lasts during Parade hours.
