| <i>Non-members</i> | |
|--|--------------------|
| <i>Energy Star, Built Green, HERS Rating</i> | <i>\$600*</i> |
| <i>Built Green Certification W/O Energy Modeling</i> | <i>\$300*</i> |
| <i>Blower Door / Duct Test</i> | <i>\$200/Each*</i> |
| <i>Extended Service Area</i> | <i>\$150*</i> |
| <i>Consulting</i> | <i>\$125/Hour*</i> |

**The above fees are subject to change based on the scope of work for the assignment. Other program certifications are available upon request. Minimum of one hour charged for consulting.*

**The Extended Service Area is for communities surrounding the Tri-Cities market area in which higher fuel costs and time of commute are associated with the assignment.*

Volume discounts are available. Please contact the Building Sciences Department for more details.
