Exhibit Guidelines

Regardless of booth space type, size or location, all signs must be one-sided and face inward except in adjoining booth spaces that span between two aisles in the middle of a row. This rule does apply to pop-up tents which are only allowed in Unlimited spaces and require approval from Management prior to set up.

Linear Exhibit

A Linear Exhibit has only one side exposed to an aisle. The maximum finished height of eight feet (8') is allowed only in the rear half of the exhibit space. Signage is allowed up to twelve feet (12'). Signs bordering another exhibit space must be one-sided and face inward. A four foot (4') height restriction is imposed on all materials in the remaining space forward to the aisle. Three-foot curtained side rails are provided for each exhibit space. When three or more adjacent Linear Exhibits are utilized by the same exhibitor as a single exhibit space, the four foot (4') height limitation is applied only to that portion of the exhibit space which is within 5 feet (5') of an adjoining exhibit. Regardless of the number of Linear Exhibit spaces utilized, display materials must be arranged in such a manner so as not to obstruct sight line of neighboring exhibitors. Pop-up tents are NOT allowed in Linear spaces.

Unlimited Exhibit

An Unlimited Exhibit is NOT subject to height restrictions, however, all publicly visible sides/backs must be finished and all signs bordering another exhibit space must be one-sided and face inward. Unlimited Exhibits can only be found in South Hall rows A, D, E, F, G, H, I, P, Q or R and includes all spaces in the North Hall. Pop-up tents are allowed, but require approval from Management prior to set up.

Corner Exhibit

A Corner Exhibit is a Linear or Unlimited Exhibit except that it is exposed to aisles on two sides. All other guidelines for Linear or Unlimited Exhibits apply.

End-Cap Exhibit

An End-Cap Exhibit is exposed to aisles on three sides and composed of two, four, or six 10' x 10' exhibit spaces. The back wall height of eight feet (8'), with signage to twelve feet (12'), is allowed only in the rear half of the exhibit space and must be at least five feet (5') from each of the two side aisles with a four foot (4') height restriction imposed on all materials in the remaining space within five (5') of the aisle.

Only Gaffers tape should be used to affix any item to the floor. Damage to the floor may result in charges to the vendor from the HAPO Center.

Available space will be assigned on the basis of priority to qualified applicants with products/services not already substantially represented in the Show. PLEASE NOTE: Management reserves the right to deny participation by any applicant who offers goods or services which Management deems inconsistent with the theme of the show. Early take down will result in loss of the Compliance Deposit and a one year suspension from the show. All exhibit materials and products must be removed by 9pm on Sunday unless other arrangements have been made with Management. Management is hereby authorized to remove any and all goods, wares, merchandise and property that remain in these areas after 9pm on Sunday.
